What do we do?

- We are focused on making a long- term impact by helping under privileged children living in poverty in rural parts of the world. Education combats poverty- Provide quality education and you are capable of changing the world, one school at a time.
- We have bold vision: **Quality education for a better world.**

Visit us at: www.savetheschool.org.uk

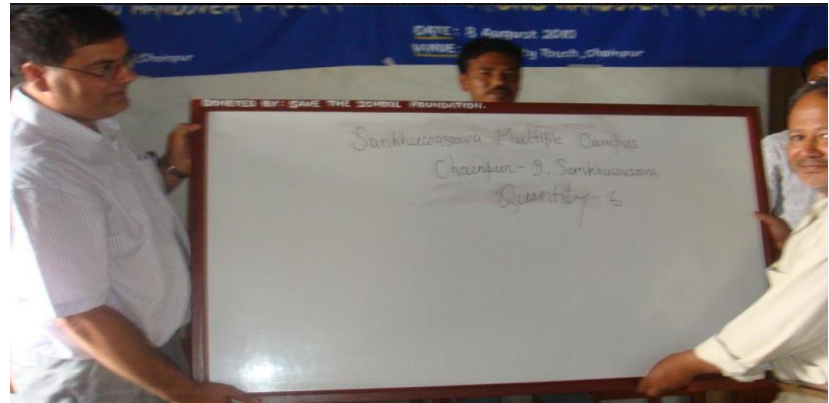

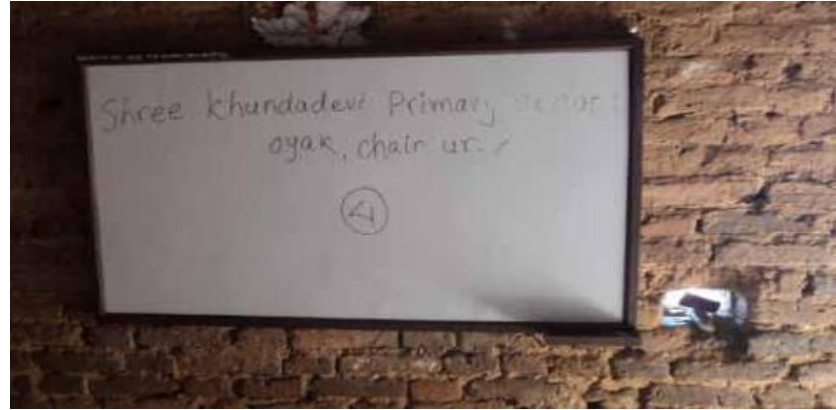

Ongoing projects/commitments

- Improving education quality by replacing **over 500** worn out blackboards (from 57 different schools) with new white boards.

Before

After

Visit us at: www.savetheschool.org.uk

Ongoing projects/commitments

School supplies – We have provided various schools with computers/ printers /projectors/ laminators. Things like this are necessity in the UK but in rural parts of the world these are identified as being highly privileged.

Anyone here who can imagine what is life like without a computer????

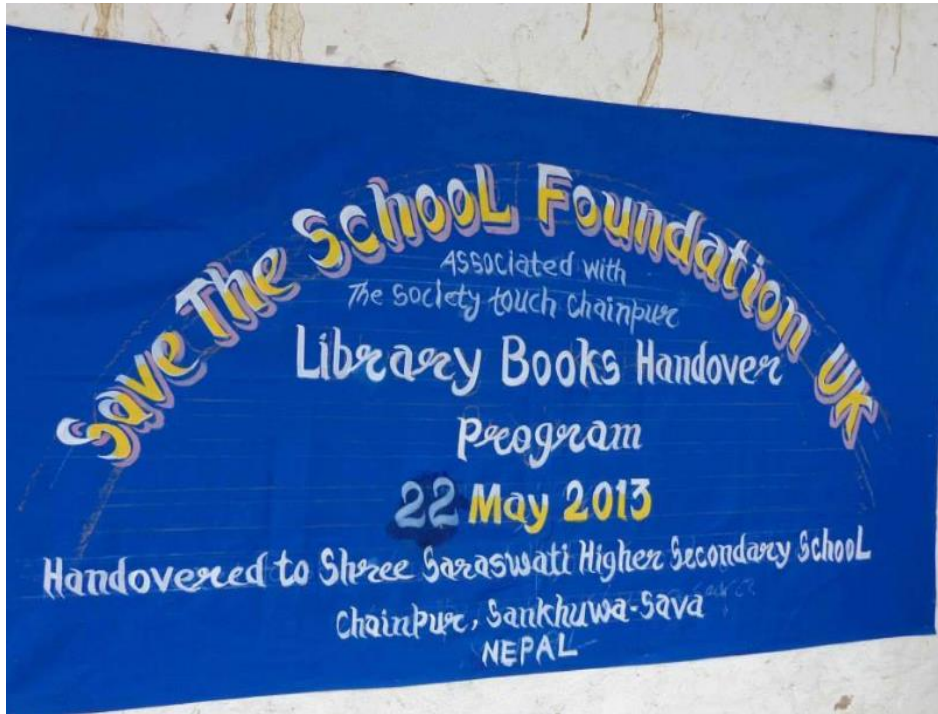

Visit us at: www.savetheschool.org.uk

Ongoing projects/commitments

Library initiation: We are currently supporting few schools to set up their own library to help more students discover the joy and value of reading.

Visit us at: www.savetheschool.org.uk

Ongoing projects/commitments

Classroom supplies: We are currently sponsoring over 600 students (from 15 different schools) who are aged between 5-8 years with unlimited access to stationeries such books, pen, pencils, erasers, sharpeners and art & crafts.

This has been going on for almost 10 years (Yes- since 2008 when we established Save the School Foundation!)

How you can be involved

- **Penny for Penny project-** Myself and Ms Carolyn Green (member of Science Department) had started this initiative at this very place (Yes- Thomas Tallis) back in 2008. We started collecting every penny from the floor (that people had thrown away) and by today, the project has helped us support over 70 schools in different ways.
- If you want to help, please do not throw away your spare changes- even if its few pennies- start collecting and donate towards this good cause! Reach out to me for more info.

Together we can make a difference!

Visit us at: www.savetheschool.org.uk

How you can be involved

- **Non- uniform day** – This is the third time that Thomas Tallis has hosted non-uniform day to raise fund for Nepalese schools. So far we have replaced 240 blackboards with new, robust whiteboards through the support of Thomas Tallis school.
- **Please do not hesitate to show your support in this year's non-uniform day and donate for this noble cause.**

Remember, every penny makes a difference in someone else's education.

How you can be involved

- There are plenty of other ways you can be involved; please reach out to me (Binod Neupane – Science department) to explore more ways of making a difference.
- Options range from volunteering to regular contributions. For more details, please visit our web page and Facebook account.

Finally...

- A huge thank you on behalf of Nepal and Nepali kids!!!
